

RENOVATION NEWS

CLOSED: WEDNESDAY, OCT. 19
OPEN: SATURDAY, OCT. 29

WE'RE MOVING! ...to the other side of the building that is.

The LLD will close to the public starting on October 19 through the 28, reopening on Saturday October 29.

WHO: LLD staff, construction, design, and moving teams

WHAT: A closure and coordinated move from Phase 1 to Phase 2 of the renovation involving staff, offices, collections, and service points

WHERE: Moving from the east end of the building to the west end of the building

WHEN: Beginning Wednesday, October 19 through Friday, October 28

WHY: This renovation was planned as a two-phase renovation to allow for maximum patron convenience. Keeping one half of the LLD open, while the other half is under construction, keeps most service points operational and collections accessible. With minimal closure periods, the LLD can successfully serve its residents while undergoing a major renovation.

PARKING: Starting Saturday, October 29, patrons may park and enter the Library through the new main entrance on Front Street. Supplemental parking will be available via the lot on Kingston (south side). Patrons parking on the south side of the building should use the sidewalk on Kingston to access the main entrance on Front Street.

COLLECTIONS: The west side of the building will temporarily house collections from Youth, Adult, and Teen in a consolidated arrangement. This configuration allows us to provide the maximum amount of materials during Phase 2 construction.

STAFF: Circulation, Youth, and Adult Services staff will station public service desks together. Staff will also be available on the public floor for assistance.

PUBLIC COMPUTERS: Due to space constraints, public computer use will be limited. The LLD will have a reduced amount of publicly accessible computers and will have time limits.

CURBSIDE PICK-UP: Pick-ups will occur in the Front Street lot. Patrons will receive information regarding a designated parking spot for pick-up. ***NOTE:** A new drive-up service window will be installed in Phase 2!*

DURATION: It is anticipated that the renovation project will be completed in early 2023. The LLD will host a grand opening for the entire community upon completion!
