

POLICY 635
POSTING AND DISTRIBUTION OF MATERIALS

The solicitation of funds within the Library or the selling of objects will not be permitted except among members of the same group within the Meeting Room during the course of said group's meeting. Duly authorized activities of the Friends of the Library or the Library itself shall be exempt from this restriction.

Bulletin boards are provided in the Library for the posting only of announcements of a general nature that describe an event or activity of public interest to a substantial number of persons in the community. No announcements of a strictly personal nature will be posted.

Flyers, brochures, pamphlets, etc. accepted for placing on Library counters must meet the same criteria set forth above. In no case will Library employees participate in the distribution of any but Library-generated publications.
