

Lisle Library District Cardholders:

Science Reference Center offers full text for hundreds of science encyclopedias, reference books, and periodicals. Topics covered include biology, chemistry, earth & space science, environmental science, health & medicine, life science, and mathematics.

Access Steps:

From Your Computer:

Go to www.lislelibrary.org/LLDdatabases

Select "Science Reference Center."

Enter your library card number and PIN. Click "Login."

Click "Login."

GETTING STARTED:

In the search box, type search words or topics and click "Search," or click on the Category icons under the search box to explore topics. On the left side of the results, limit to full-text, choose a date range, or a source type. Click on the title of an article to read, or click "Listen" to have it read aloud.

Use the options to the right of the article to print, email, save, cite, translate, and more.

On right-side of the homepage, use the "Reference Shelf" links for Lesson Plans, Science Experiments, Citation Help, Research Guide, Curriculum Standards, or Worksheets.

Use "Advanced Search" to limit your search to Document Types like "Case Study," "Lesson Plans," or "Science Experiment." Limit results by grade level and/or Lexile Reading Level.
